Sentence Pyramids Cards

These pyramid fluency cards are designed to develop fluent reading as students reread the words in a staggered nature.

Use them as a warm up prior to guided reading or as an independent activity. They pair really well with the VOICE STICKS.

60 cards are included altogether.

Roll and Read Fluency Mats

These roll and read fluency mats are great for independent reading stations. To play, students roll a die and read the corresponding sentence. Use them with voice sticks and long reading pointers for some extra fun!

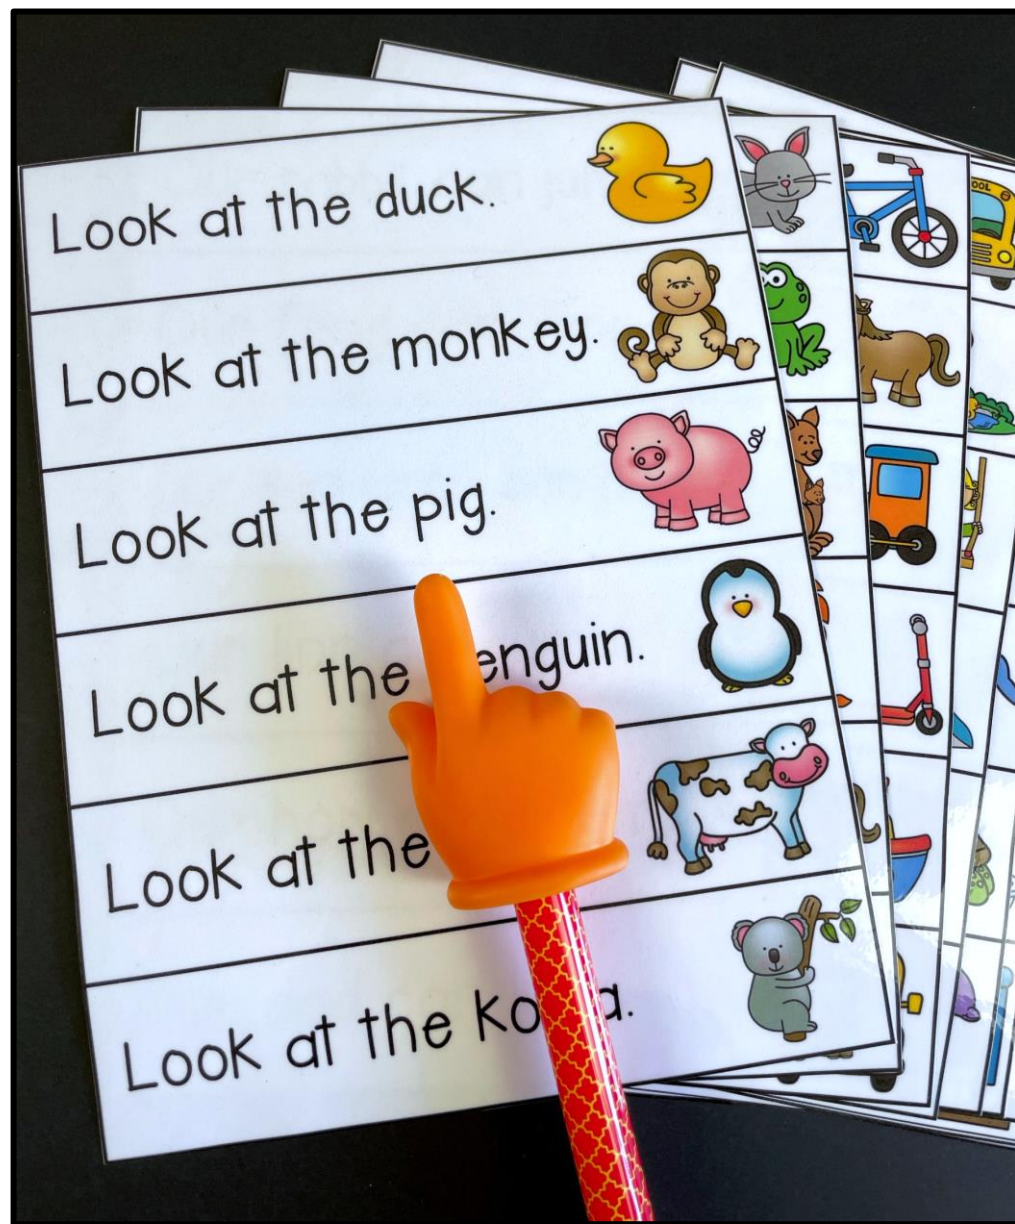

Each mat is based upon a different word family.
24 mats included.

Sentence Pattern Cards

These sentence mats are a great way to develop fluency as students read through the patterned sentences. Make them extra fun by using the **voice sticks**, or other fun additions such as whisper phones or extra large pointers. 16 mats included altogether.

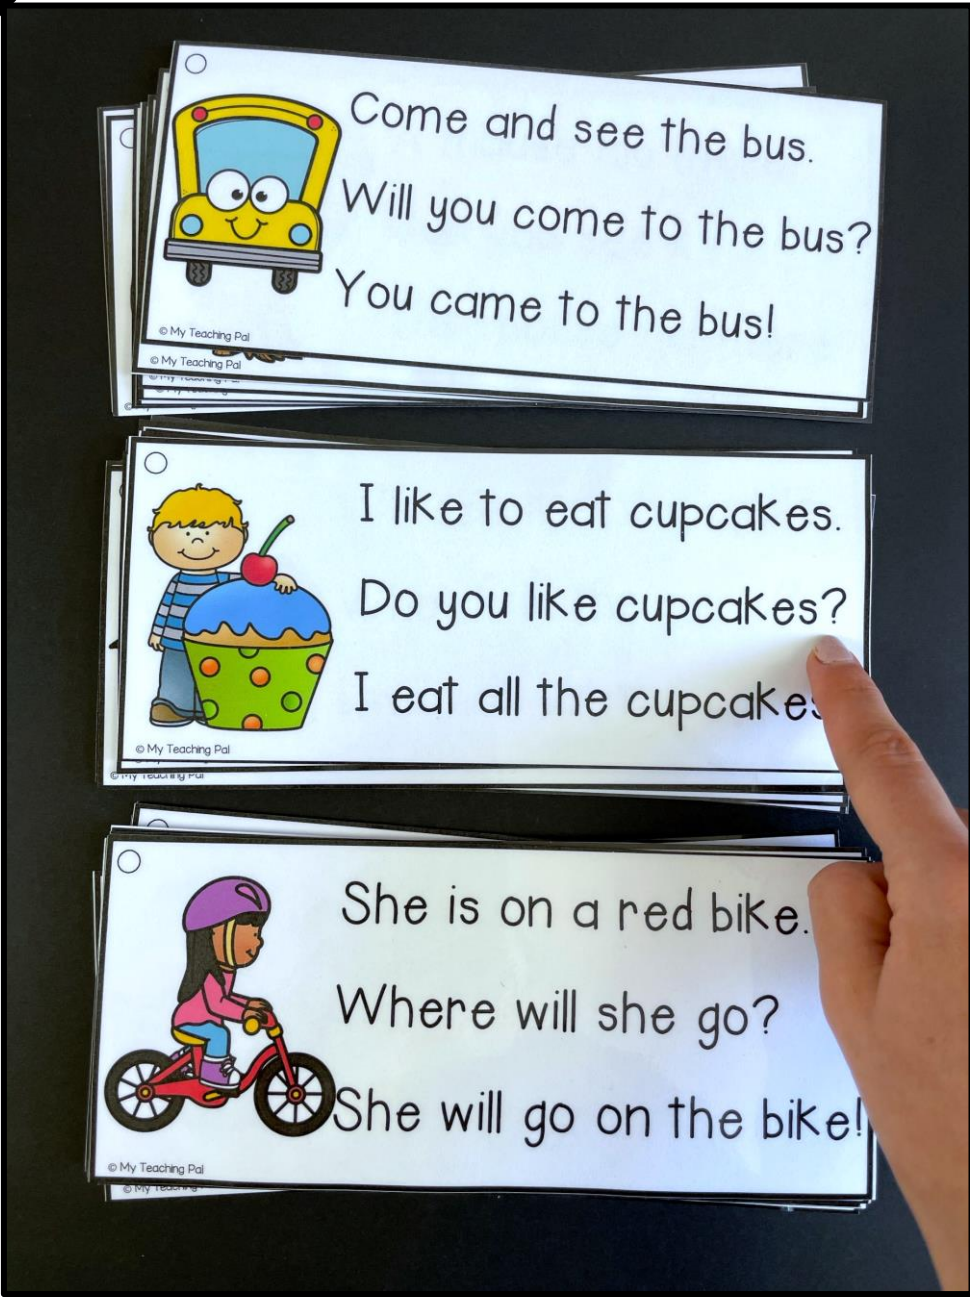

Intonation Cards

Intonation refers to how a reader varies their tone of voice at different points in a text.

These cards are designed to provide students with the opportunity to practice varying their voice for different punctuation.

42 cards are included.

Voice Sticks

These voice sticks make all reading activities a little more fun. Students choose a card and then read the text using the voice shown. Reuse these with all your other centers too!

There are 24 voice sticks included.
